| <b>Communication and Language</b><br><br><br><br>Communication and Language is developed throughout the year through high quality interactions, daily group discussions, circle times, stories, singing, speech and language interventions, Helicopter Stories and reflective Tapestry Time. There will be weekly vocab and vocab displayed. | <b><i>Listening, Attention and Understanding</i></b><br>Children will be able to understand how to listen carefully and know why it is important.<br><br><b><i>Speaking</i></b><br>Children will talk in front of small groups and their teacher offering their own ideas.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | <b><i>Listening, Attention and Understanding</i></b><br>Children will begin to understand how and why questions. They can answer some closed and open questions.<br><br><b><i>Speaking</i></b><br>Children will use new vocabulary throughout the day.                                            | <b><i>Listening, Attention and Understanding</i></b><br>Children will learn to ask questions to find out more. They will answer more open questions.<br><br><b><i>Speaking</i></b><br>Children will talk in sentences using conjunctions, e.g. and, because.             | <b><i>Listening, Attention and Understanding</i></b><br>Children will retell a story and follow a story without pictures or props.<br><br><b><i>Speaking</i></b><br>Children will engage in non-fiction books and to use new vocabulary in different contexts.                                     | <b><i>Listening, Attention and Understanding</i></b><br>Children will be able to understand a question such as who, what, where, when, why and how.<br><br><b><i>Speaking</i></b><br>Children will use talk to organise, sequence and clarify thinking, ideas, feelings and events.                                     | <b><i>Listening, Attention and Understanding</i></b><br>Children will be able to have conversations with adults and peers with back-and-forth exchanges.<br><br><b><i>Speaking</i></b><br>Children will use talk in sentences using a range of tenses.      |
|                                                                                                                                                                                                                                                                                                                                                                                                                              | <b><i>Listening, Attention and Understanding:</i></b> Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. Make comments about what they have heard and ask questions to clarify their understanding. Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.<br><br><b><i>Speaking:</i></b> Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher. |                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                             |
| <b>Personal, Social and Emotional Development</b><br><br><br><br>Children develop their personal, social and emotional skills throughout the year                                                                                                                                                                                          | <b><i>Self-Regulation</i></b><br>Children will be able to follow one step instructions.<br><br>Children will recognise different emotions.<br><br>Children will focus during short whole class activities.<br><br><b><i>Managing Self</i></b><br>Children will learn to wash their hands independently.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | <b><i>Self-Regulation</i></b><br>Children will talk about how they are feeling and to consider others feelings.<br><br><b><i>Managing Self</i></b><br>Children will understand the need to have rules.<br><br><b><i>Building Relationships</i></b><br>Children will begin to develop friendships. | <b><i>Self-Regulation</i></b><br>Children will be able to focus during longer whole class lessons.<br><br><b><i>Managing Self</i></b><br>Children will begin to show resilience and perseverance in the face of a challenge.<br><br><b><i>Building Relationships</i></b> | <b><i>Self-Regulation</i></b><br>Children will identify and moderate their own feelings socially and emotionally.<br><br><b><i>Managing Self</i></b><br>Children will develop independence when dressing and undressing.<br><br>Children will persevere and problem solve in the face of challenge | <b><i>Self-Regulation</i></b><br>Children will be able to control their emotions using a range of techniques.<br><br><b><i>Managing Self</i></b><br>Children will manage their own basic needs independently.<br><br>Children will learn to dress themselves independently.<br><br><b><i>Building Relationships</i></b> | <b><i>Self-Regulation</i></b><br>Children will be able to follow instructions of three steps or more.<br><br><b><i>Managing Self</i></b><br>Children will show a 'can do' attitude.<br><br>Children will understand the importance of healthy food choices. |

| <p>Children improve their literacy skills through discrete RWI daily sessions, literacy lessons and literacy continuous provision. They will have story time twice a day</p>                                                                                                    | <p>Children will independently look at a book, hold it the correct way and turn pages.</p> <p><b>Word Reading</b><br/>Children will segment and blend sounds together to read words.</p> <p><b>Writing</b><br/>Children will give meanings to the marks they make.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | <p><b>Word Reading</b><br/>Children will begin to read captions and sentences.</p> <p><b>Writing</b><br/>Children will form letters correctly.</p>                                                              | <p>Children will act out stories using recently introduced vocabulary.</p> <p><b>Word Reading</b><br/>Children will recognise taught digraphs in words and blend the sounds together.</p> <p><b>Writing</b><br/>Children will write words representing the sounds with a letter/letters.</p> | <p>Children will be able to talk about the characters in the books they are reading.</p> <p><b>Word Reading</b><br/>Children will read words containing tricky words and digraphs.</p> <p><b>Writing</b><br/>Children will write labels/[phrases representing the sounds with a letter/letters.</p> | <p>Children will retell a story using vocabulary influenced by their book.</p> <p><b>Word Reading</b><br/>Children will read longer sentences containing set 2 words and tricky words.</p> <p><b>Writing</b><br/>Children will write words which are spelt phonetically.</p> | <p>Children will be able to answer questions about what they have read.</p> <p><b>Word Reading</b><br/>Children will read books matched to their phonics ability. Children will apply set 1 2 or 3 sounds in their reading.</p> <p><b>Writing</b><br/>Children will write simple phrases and sentences using recognisable letters and sounds.</p> |
|                                                                                                                                                                                                                                                                                 | <p><b>Comprehension:</b> Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. Anticipate (where appropriate) key events in stories. Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role play.</p> <p><b>Word Reading:</b> Say a sound for each letter in the alphabet and at least 10 digraphs. Read words consistent with their phonic knowledge by sound-blending. Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.</p> <p><b>Writing:</b> Write recognisable letters, most of which are correctly formed. Spell words by identifying sounds in them and representing the sounds with a letter or letters. Write simple phrases and sentences that can be read by others.</p> |                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                   |
| <p><b>Mathematics</b></p>  <p>Children improve their mathematics through direct teaching, regular counting activities and songs and maths challenges and provision.<br/><b>White rose</b></p> | <p><b>Number</b><br/>Children will have a deep understanding of 1-5.</p> <p><b>Numerical Patterns</b><br/>Children will verbally compare equal and unequal groups. matching, sorting, comparing, talk about measure, patterns.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | <p><b>Number</b><br/>Children will have a deep understanding of numbers 1-5, be able to subitise numbers 1-3.</p> <p><b>Numerical Patterns</b><br/>Children will verbally say which group has more or less.</p> | <p><b>Number</b><br/>Children will have a deep understanding of numbers 1-10.</p> <p><b>Numerical Patterns</b><br/>Children will understand and explore the difference between odd and even numbers.</p>                                                                                     | <p><b>Number</b><br/>Children will have a deep understanding of numbers 1-10.</p> <p><b>Numerical Patterns</b><br/>Children will add and subtract using number sentences, add one more and take one less.</p>                                                                                       | <p><b>Number</b><br/>Children will revise number bonds to 5.</p> <p><b>Numerical Patterns</b><br/>Children will share quantities equally.</p>                                                                                                                                | <p><b>Number</b><br/>Children will know number bonds to 10, including doubling facts.</p> <p><b>Numerical Patterns</b><br/>Children will be able to count beyond 20 and higher.</p>                                                                                                                                                               |
|                                                                                                                                                                                                                                                                                 | <p><b>Number:</b> Have a deep understanding of number to 10, including the composition of each number. Subitise (recognise quantities without counting) up to 5. Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.</p> <p><b>Numerical Patterns:</b> Verbally count beyond 20, recognising the pattern of the counting system. Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.</p>                                                                                                                                                                            |                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                   |

| <p>Children improve their understanding of the world through direct teaching and exciting scientific learning opportunities. They will be given regular sessions to reflect, talk and answer how and why things happen.</p>                                                                       | <p>Children will know about features of the immediate environment. Children will talk about their family members.</p> <p><b>Science: <i>The Natural World</i></b><br/>Children will understand the terms 'same' and 'different'.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | <p><b>and Communities</b><br/>Children will know that there are many countries around the world.</p> <p><b>Science: <i>The Natural World</i></b><br/>Children will explore and ask questions about the natural world around them.</p>                                                                                                                                                    | <p>around the world have different religions.</p> <p><b>Science: <i>The Natural World</i></b><br/>Children will talk about features of the environment they are in and learn about the different environments.</p>                                                                                                                                                         | <p><b>and Communities</b><br/>Children will know about people who help us within the community.</p> <p><b>Science: <i>The Natural World</i></b><br/>Children will make observations about plants discussing similarities and differences.</p>                                                                                                                                                                                                                                      | <p>Children will know that people in other countries may speak different languages. Children will compare different traditions</p> <p><b>Science: <i>The Natural World</i></b><br/>Children will make observations about animals discussing similarities and differences.</p>                                                                                                                                                                                                                                                                                                                 | <p>Children will know that simple symbols are used to identify features on a map.</p> <p><b>Science: <i>The Natural World</i></b><br/>Children will know some important processes and changes in the natural world, including states of matter.</p>                                                                                                                                      |
|                                                                                                                                                                                                                                                                                                   | <p><b>Past and Present:</b> Talk about the lives of the people around them and their roles in society. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. Understand the past through settings, characters and events encountered in books read in class and storytelling.</p> <p><b>People, Culture and Communities:</b> Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps.</p> <p><b>The Natural World:</b> Explore the natural world around them, making observations and drawing pictures of animals and plants. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.</p> |                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                          |
| <p><b>Expressive Arts and Design</b></p>  <p>Children will develop their art, music and creative skills through role play, access to art area at all times. Their physical development will be developed so</p> | <p><b>Music: <i>Being Imaginative</i></b><br/>Children will experiment with different instruments and their sounds.</p> <p><b>Art &amp; Design: <i>Creating with Materials</i></b><br/>Children will experiment with different textures. They will use pva glue for spreading and masking tape for joining. (DT – Cooking and nutrition)</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | <p><b>Music: <i>Being Imaginative</i></b><br/>Children will sing and perform nursery rhymes.</p> <p><b>Art &amp; Design: <i>Creating with Materials</i></b><br/>Children will experiment with different media and mixing with colours. They will select from a range of materials, make self-portraits and compare how colour is used by different artists. (Art - marvellous marks)</p> | <p><b>Music: <i>Being Imaginative</i></b><br/>Children will create narratives based around stories, nursery rhymes and songs.</p> <p><b>Art &amp; Design: <i>Creating with Materials</i></b><br/>Children will safely explore different techniques for joining materials. They will have a choice of glue, sallotape, sting and masking tape. (DT - Structures: Boats)</p> | <p><b>Music: <i>Being Imaginative</i></b><br/>Children will move in time to the music.</p> <p><b>Art &amp; Design: <i>Creating with Materials</i></b><br/>Children will make props and costumes for different role play scenarios. Children will explore paint and painting techniques through nature, music and collaborative work. Developing creativity through child-led exploration of mixed-media, making collages and transient art. (Art: Painting &amp; Mixed media.)</p> | <p><b>Music: <i>Being Imaginative</i></b><br/>Children will play an instrument following a musical pattern.</p> <p><b>Art &amp; Design: <i>Creating with Materials</i></b><br/>Children will explore and use a variety of artistic effects to express their ideas and feelings. (DT: Textiles: Book marks. Children develop and practise threading and weaving techniques using various materials and objects. They look at the history of the bookmark from Victorian times versus modern-day styles. The pupils apply their knowledge and skills to design and sew their own bookmarks)</p> | <p><b>Music: <i>Being Imaginative</i></b><br/>Children will invent their own narratives, stories and poems.</p> <p><b>Art &amp; Design: <i>Creating with Materials</i></b><br/>Children will share creations, talk about process and evaluate their work. (Art: Craft &amp; Design - Developing cutting, threading, joining and folding skills through fun, creative craft projects)</p> |

|                                                          | <b>Creating with Materials:</b> Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Share their creations, explaining the process they have used. Make use of props and materials when role playing characters in narratives and stories. <b>Being Imaginative:</b> Invent, adapt and recount narratives and stories with peers and their teacher. Sing a range of well-known nursery rhymes and songs. Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music. |  |  |  |  |  |
