STOP BULLYING

Our Target Punctuality: 99%

As a school we've been focused on anti-bullying this week, with assemblies, workshops in each class and class based discussions and activities. We've re-visited the definition of bullying with children and made sure they know what to do if they are being bullied. We've focused a lot on the differences between bullying and general nastiness – neither of which are acceptable. We focused this year on the role of the bystander, and what children should do if they are aware that someone else is being bullied.

I really enjoyed seeing so many children for book club this week, we had some great discussions - keep up the reading, look out for our new choices after half term!

We hope all our families have a lovely half term and look forward to seeing you next week.
Shabbat Shalom.

Children who have been to see me with good work this week: Rudy, Noam, Mason, Hanna, Charlie, James, Aria C, Regan, Toby S, Ella R, Ronnie, Dylan, Ollie, Nova, Isla, Cassidy, Rae Rae, Gabriel, Arlo

Talking Teens

This is a 4-week parenting programme designed for parents of secondary school students aged 11-18, who are neurodivergent or have neurodivergent disabilities. The programme aim is to ease the transition from childhood to adolescence, by encouraging positive parenting and relationship building.

Tools and strategies are offered and a parenting manual is used during the course which is yours to keep at the end.
